

Fire service lesson 2 - 'Your fire action plan' worksheet

Draw a picture in the boxes below to show the following parts of your safety plan.

<p>Think about all of the ways that you could safely get out of your house if there was a fire.</p>	
<p>Make sure you know where all of the door and window keys are kept.</p>	
<p>Close all doors at night to stop the spread of smoke if there was a fire.</p>	
<p>Fit and look after a smoke alarm.</p>	
<p>Before you go to bed, unplug any electrical items that don't need to be left in e.g. T.V.</p>	

**Make your fire action plan today!
Tell everyone at home about it!**
